Date : 13 October 2026

"Unswerving Original Aspiration; Steadfast Conviction: The 90th Anniversary of the Victory of the Red Army's Long March" Thematic Exhibition

Summary

The purpose of this circular memorandum is to inform heads and teachers of primary and secondary schools about the "Unswerving Original Aspiration; Steadfast Conviction: The 90th Anniversary of the Victory of the Red Army's Long March" Thematic Exhibition and invite all primary and secondary schools to participate in the above exhibition.

Background

2. The year 2026 marks the 90th anniversary of the victory of the Chinese Workers' and Peasants' Red Army's Long March. The victory of the Long March has had a profound impact on the course of our country's history and carried great historical significance. The firm conviction, fearlessness of sacrifice, close unity, and arduous struggle demonstrated during the Long March are a precious spiritual heritage, offering rich resources for patriotic education and values education.

3. To deepen students' understanding of the history of the Long March and its significance, the Curriculum Development Institute organises the above exhibition. Through various exhibits and related learning activities, the exhibition enables students to learn about that period of history and appreciate the essence of the Long March spirit, thereby nurturing their sense of patriotism, developing proper values, and aspiring to contribute to our country.

Details

4. The exhibition will be held at the Patriotic Education Centre from 13 October 2026 onwards. The exhibits include interactive installations, textual information, replicas and oil paintings, together with relevant learning and teaching resources. The centre will provide schools with guided tours, talks and learning activities. The content of the exhibition is aligned with the relevant curriculum emphases of Primary Humanities, secondary Chinese History, History, junior secondary Citizenship, Economics and Society, senior secondary Citizenship and Social Development, values education, and national security education. Schools can reserve visits from Monday to Friday (except public holidays). Schools are also required to arrange grouping of participants in advance to facilitate admission of different groups to the talk, the thematic exhibition and related learning activities by rotation during the visit (please contact the Patriotic Education Centre for details).

5. All primary and secondary schools could apply for visit reservations via the following reservation webpage of the Patriotic Education Centre. After submission of the school's reservation form, the Centre will contact the teacher-in-charge to confirm the reservation and make related arrangements for the visit.
