

**2025/26**

## **Achieving Carbon Neutrality**

**Student Ambassador Training Scheme**

**Enrolment  
Deadline**

**17 Oct  
2025**

**Targets: S1-5 students**

**Quota: At most 10 students per school**

**Activities: online seminars, visits and other life-wide learning activities related to education for sustainable development**

## **Aims**

-  **To broaden secondary school students' horizons and enhance their understanding of climate change and carbon neutrality**
-  **To cultivate secondary school students' sense of responsibility and commitment to environmental protection as well as encourage them to practise a low-carbon lifestyle through energy saving and waste reduction and recycling**
-  **To develop secondary school students' leadership skills, and nurture them to become informed and responsible citizens**

**Organiser : Curriculum Development Institute,  
Education Bureau**
